Trinity Candidates: NCEA Assessment

Overview

If you have passed an eligible Trinity College London music examination, you can apply to Let's Go to be assessed against the NCEA achievement standards below. We use evidence from your Trinity exam to assess you under our NZQA consent to assess, and credits are awarded by NZQA when we report your results. This does not reassess your Trinity examination or change your Trinity result. Trinity qualifications are not NZQA-approved.

Entry Requirements

You must be a domestic student: a New Zealand citizen or resident, or an Australian citizen or resident living in New Zealand. If you are at a New Zealand school on a visa, please contact us before applying.

AS	Credits	Level	Trinity syllabus and minimum grade

AS91270	6	2	Rock & Pop or Classical & Jazz Grade 4 or above
AS91274	3	2	Rock & Pop or Classical & Jazz Grade 3 or above
AS91417	4	3	Rock & Pop or Classical & Jazz Grade 4 or above
AS91416	8	3	Rock & Pop or Classical & Jazz Grade 6 or above

Evidence you will need:

- Trinity examiner's report or official statement of results. On its own, this can support an Achieved result.
- For Merit or Excellence, or where your report doesn't show everything a standard requires, direct evidence of your performance, such as a video or audio recording. This doesn't have to be from your Trinity exam.

Requirements:

- AS91416 - **must** be at least 10 minutes (but ideally 12-14 minutes) of performance repertoire (not scales or exercises). You can include additional performance not from Trinity if needed.
- AS 91270 - evidence must be at least 6 minutes of performing repertoire in total.
- AS91417 - uses a different instrument from AS91416
- AS91274 - uses a different instrument from AS91270
- AS91949 - must include acknowledgement of audience, positioning in performance area, managing music and devices
